### **CERTIFICATE OF COMPLETION, HUMBOLDT ROAD BURN DUMP, ASSESSORS PARCEL NUMBER (APN) 018-500-015 AND APN 018-500-137**

On 8 July 2004, the Central Valley Regional Water Quality Control Board Executive Officer approved the Chico Redevelopment Agency, Final Operable Unit Remedial Action Plan (RAP) for Assessors Parcel Number (APN) 002-180-087, APN 002-180-088, APN 002-180-089, APN 002-180-095, APN 011-030-015, and APN 011-030-137.

During summer 2005, Chico Redevelopment Agency removed approximately 46,500 cubic yards of waste material from APN 011-030-015 and APN 011-030-137 (currently known as APN 018-500-015 and APN 018-500-137, respectively) and transported it to their consolidation cell regulated by Waste Discharge Requirements Order No. R5-2004-0088. Confirmation samples, collected to quantify the residual concentrations of lead following remediation of the properties, have an average concentration of 51 mg/Kg, which is less than the lead remedial action goal of 224 mg/Kg approved in the RAP. The background soil lead concentration for HRBD is 19 mg/Kg. Small quantities of residual waste remain in the Bruce Road right-of-way and in the sewer line easement on the north side of the consolidation cell.

On 6 December 2005, Central Valley Water Board staff notified interested parties of their opportunity to provide comments on the December 2005 Humboldt Road Burn Dump Confirmation Sampling Report, Chico Redevelopment Agency Parcels Located East of Bruce Road. No comments were received during the 60-day time period.

On 7 February 2006, the Central Valley Water Board Executive Officer issued the enclosed Certificate of Completion for the Humboldt Road Burn Dump properties owned by Chico Redevelopment Agency, APN 018-500-015 and APN 018-500-137. The Certificate of Completion for APN 018-500-015 and APN 018-500-137 is subject to the Conditions described in Exhibit C.

In order to conserve resources, a paper copy of the Certificate of Completion is only being sent to the City of Chico. Electronic copies of the Certificate of Completion and Exhibits A, B, and C are available for viewing and downloading on the Regional Board's website at [http://www.waterboards.ca.gov/centralvalley/available\\_documents/index.html](http://www.waterboards.ca.gov/centralvalley/available_documents/index.html).
